Well, it rained five days and the sky turned black as night
 Yes, it rained five days and the sky turned black as night
 There was trouble taking place in the lowlands that night.

Well, it thundered and it lightened and the winds began to blow 2x
 There was thousands of people didn't have no place to go.

I woke up this morning, couldn't even get out my door 2x
 Enough trouble to make a poor boy wonder where he gonna go.
